Dear Murugan,

Hope this mail finds you well. I am pleased to inform you that I have successfully graduated in the CSD program and am eagerly waiting to be a part of the upcoming project.

I am adaptive to learn the upcoming technologies required for the future projects. I am ready to implement the skills that I have been trained in the training period. Looking forward to work with other team members under your guidance.

Hereby, I have attached my Self-Introduction and Resume for your reference.
