Dear A and B,

I am Hemadharshini S [2318406]. I hope this message finds you well. I want to bring this to your attention about a recent development that has impacted on our project timeline.

Due to new requirements, we are updating the UI and database design, causing a minor delay. We are working diligently to mitigate this and enhance our project's robustness. Please contact us for any queries.

Regards,

Hemadharshini S
